iriBoost

Datasheet

Product Desciption

Bridge the gap between your iriSound Intercom system and external loudhailer with iriBoost. This integration eliminates the need for separate systems by combining the loudhailer function seamlessly into your iriSound setup. With iriBoost, enjoy the convenience of one comprehensive system that handles it all, offering additional benefits along the way. Simplify your communication setup and unlock new possibilities with iriBoost.

Key Features

- Loudhailer integration

- 30W Class-D amplifier

- Superior sound quality

- Selective user access (with iriSelect)

Technical Specifications

iriBoost	
Weight	230 g
Dimensions	L110xW75xH50 mm
Waterproof	IP67
Temperature range	-30 to +60 °C
Audio	20 - 20.000 Hz
Interfaces	IWCS Bus
Power Supply	10-16 VDC / 3A (max)
Part number	IR-20-1220-01

Mechanical Features

1. Connector for Hailer

2. Rugged Rubber Housing

3. Volume Control

4. Connector for external PTT / Power Supply

5. Audi/Data Connector to iriSound
