

ProEquip PRO-C50L

EARHANGER WITH 3.5MM L-CONNECTOR FOR ICOM

ProEquip earhanger with a clip behind the ear (C-shell) with 3.5mm connector compatible with Icom radios with 3.5mm socket.

This item is intended for direct connection to the radio. If you wish to have a corresponding item for connection to a RSM (Speaker Microphon) or other adapter, the item without the suffix -N in the item number is recommended.

FEATURES & BENEFITS

- The earpiece fits comfortably behind the ear and is adjustable
- Intended for direct connection to the radio
- With coiled cable that doesn't tangle just as easily as its straight counterpart
- Angled connector makes the connector to sit firmer in the jack to avoid that it accidentally gets pulled out of the jack

SPECIFICATION

Coiled PU cable, length: 600mm
L-Connector: 3.5mm for Icom
