

ProEquip PRO-BT550

BLUETOOTH® DUAL LINK HEADSET

PRO-BT550 is a ProEquip Bluetooth® Mini headset with high-sensitivity noise-canceling microphone, volume control and 10 hours of talk time.

PRO-BT550 is a professional Bluetooth® device that gives you long talk time, easy pairing, stable connection and full support for Bluetooth® PTT with Icom and Sepura radios.

PRO-BT550 is a multifunctional device for connecting to a radio and/or smartphone simultaneously with priority on radio communication.

FEATURES & BENEFITS

- Two devices connected at the same time, e.g one radio and one mobile phone with higher priority on the radio audio traffic
- Full isolation between the two connected devices
- Full support for Bluetooth®PTT for Icom & Sepura
- Dual PTT function
- Dual sound and dual link
- Phone calls
- Battery charges via USB, cable included
- Avoid cables that can get stuck or break
- Reversible, fits both left and right ear
