

ProEquip PRO Adapter

EARPIECE ADAPTER WITH SMART SENSE FOR SEPURA

A ProEquip PRO adapter for Sepura handheld radios with STP/SC Side connector. Slim model with smooth fit and steel lug for secure connection.

Connect an optional hearing loop (audio only, no microphone) with 3.5 mm connector to this adapter to get the sound into the loop instead of the radio's speaker.

The adapter has "smart sense" and will be completely passive when no accessory is connected (the sound goes out to the radio's speaker).

FEATURES & BENEFITS

- Secure connection due to steel lug
- Fits ProEquips range of earpieces with 3.5mm connector
- Smart sense; easy to unplug the earpiece if you want to use the radios speaker
- 3½ mm jack supports:
 - 3½ mm mono earpiece
 - 3½ mm stereo headphones
 - 3½ mm 4-pole mobile phone headset (microphone of terminal is used)
